Mandated Reporting in Early Care & Education-2 hours

This self-paced training, designed for Childcare staff, teachers, directors and Family Child Care Providers will provide an overview of the significant definitions, requirements and policies outlined in the NJ Office of Licensing NJ Manual of Requirements for Child Care Centers and Registration of Family Child Care programs related to Mandated Reporting and Positive Discipline. By the end of this training, participants will be able to: understand the types of child abuse & neglect; recognize signs of child abuse and neglect; understand NJ's requirements for Mandated Reporting; understand how and when to report; and create and implement an organization-specific policy on reporting procedures. At the conclusion of the training you will take a final exam which will test the information that you have learned during the training. Upon scoring an 70% or higher you will be able to print your certificate and will be emailed a proof of your completion of this training.
